Frequently Asked Questions

How do I know if I am called to ministry?

This is something only you can know. If you have an urging in your heart to pursue this path of spiritual leadership, the best course of action is to explore ministerial training and find out more about it. You will know if it is right for you.

Do I have to have a Bachelor's Degree to go to Holmes Institute?

Our program is a graduate level program and so we prefer a Bachelors' Degree. However, we have ways that you can still attend our program without a Bachelors. To get these details, please contact the Dean.
